

111, Inc. Announces ADS Ratio Change

SHANGHAI, Jan. 8, 2025 /PRNewswire/ -- 111, Inc. ("111" or the "Company") (NASDAQ: YI), a leading tech-enabled healthcare platform company committed to reshaping the value chain of healthcare industry by digitally empowering the upstream and downstream in China, today announced that it plans to change the ratio of its American Depositary Shares ("ADSs") to Class A ordinary shares from one (1) ADS representing two (2) Class A ordinary shares to the new ratio of one (1) ADS representing twenty (20) Class A ordinary shares.

For the Company's ADS holders, this ratio change will have the same effect as a one-for-ten reverse ADS split. There will be no change to 111's underlying Class A ordinary shares, and no Class A ordinary shares will be issued or cancelled in connection with this ratio change. No action is required by the Company's ADS holders to effect the ratio change, as the change will be effected on the books of the ADS depository. Following the ratio change, 111's ADSs will continue to be traded on Nasdaq under the ticker symbol "YI."

The effect of the ratio change on the ADS trading price on Nasdaq is expected to take place at the open of business on January 24, 2025. As a result of the change in the ADS ratio, the ADS price is expected to increase proportionally, although the Company can give no assurance that the ADS price after the change in the ADS ratio will be equal to or greater than ten times the ADS price before the change.

Forward-Looking Statements

This press release contains forward-looking statements. These statements constitute "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the U.S. Private Securities Litigation Reform Act of 1995.
